**Subject:** [External] No pipeline

**CAUTION:** External email. Do not click links or open attachments unless verified. Send all suspicious email as an attachment to report.spam@nc.gov.

The Atlantic Coast Pipeline ties us to the past. It is time to continue NC's march to solar.

Please don't give the pipeline the green light. It effects poorer people of color more than it should and disrupts potentially the environment.

Sincerely,

Marlene Pratto
